“ Judy and I became friends in Junior High School and this friendship continued until the day she passed away. We graduated from Cambridge High School in 1960. I have memories of our trips to N.C, and N.Y., our Red Hat meetings and outings, her coming to my house for hair cuts by a mutual friend. I loved her and all her family to whom I send my deepest Sympathy. Will keep you in my thoughts and prayers and may she rest in peace.
