“ *Papoi,*

You were an amazing grandfather and I am lucky to have had you in my life. You taught me many valuable lessons, and I will cherish our memories together. The campfires singing Johnny Cash, mushroom hunting in the bronco, doing word searches, and the road trips in the back of your truck. You truly knew how to make everyone feel loved and special. I'll miss you until I see you again.

“ *All around the best pap ever. His smile would light up a room and those Bennett blues would make anyone's heart melt (ask gramma, couldn't even take him into a grocery store without having the cashiers all giggly). He will be missed but it's my sister Renees turn now, she's waited long enough for him. Love you pap ❤️*

“ *No one could ask for a better father than we had. Acil Bennett was a wonderful husband, father , grandfather and great grandfather. He was a hard worker and a Vet. He was an excellent hunter and fisherman. I remember many times as a kid he took me ice fishing. We love and will always remember you Dad... We know you are in Heaven and we will see you again someday.*

*Love always,
