“ Mom was a trooper and loved her grandchildren and great-grandchildren with all her heart and we shall miss her but just knowing that she is free from her pain will see us through our sorrow. We love you and we are going to miss our weekly visits with you:) GOD will take care of now as he did while you were with us. Thank you for sharing your love with us. We will carry that love in our hearts until we see you again.

“ *My dear grandma went to be the Lord.
Her eyes was light blue, as blue as the ocean. She had a temper,
like a boxer. Her love to other's was given with no regret. She loved
her family, the best she could. She loved the summer sun. She
saved things that didn't make any sense to some. I love her and will
miss her very much, and she will be deeply missed by all that knew,
and loved her.*

With Love,
