“ It is with the fondest of memories that I will remember Mr. Szabo. I worked with him many years ago and was inspired by his kindness and knowlege, both of which he liberally shared with me. I know that he is in a better place now, if for no other reason than he is now there. ##imported-begin##Everett D. Mann##imported-end##

“ Alex was about age 6 when I was born in Lore City.

So, I have known him all of my life and pleased that I knew him and all of his family.
