*“ We lost a bloom from our family tree,
The Lord's arms are now embracing thee”
The wonderful childhood memories you gave
to me will be with me always.
Love always, your niece ~Jennifer Walker*

*“ I will always remember her as a feisty lady
that loved to sit around the table with a cup of
coffee with some good family gossip...she
loved her dog and her family very much...she
enjoyed 'pop in visitors' and always had the
coffee water ready for their arrival and a cookie or two for you as
well...Aunt Alice is probably in Heaven right now telling her family up
there how well her family took care of her these past few yrs. She
will be missed but also we will celebrate the life she lived and be
happy knowing she was such a huge part of our life for many years.

“ To the family of Alice Larrison, with deepest sympathy for the lost of your loved one. I did not know Alice but I work with her grandson Paul Larrison, with his compassion for others and work ethics had to be taught throughout his life by parents and grandparents. This in itself tells me that she was a very good lady and will be sadly missed by the family. This knowing that she has gone to be with the Lord and will be smiling down on each of the family members daily. May God keep you and Bless you always.
