“ Allen,
Bowling was never as much fun as it was when we did it. We did it right, we did it well. I'll always remember our conversation about how we were such better bowlers when we were kids. Take care up there.##imported-begin##George Rocco##imported-end##

“ Allen, my dear son, I don't even have the words to say good-bye. You were my life and the love of my life. We have been through so much together, my heart breaks every time I think of you. You brought me so much joy, I miss your laughter. You made time for everyone in your life, no matter how you felt. You gave so much of yourself, even when you felt bad. Your comic side is what I will miss the most, always finding humor in every situation. I will miss you every moment of my life. I know you are not in pain any longer and you are where you deserve to be. I miss your hugs so much! I love you so very much and miss you even more!##imported-begin##Mom##imported-end##
