“ Even though I haven't seen Sherry in over twenty years since her retirement, we have exchanged Christmas cards and I always enjoyed the newsletters each year. She was a mentor and a friend at John Glenn High School and I can still remember how sad I was the day she and Jim announced their retirement at the annual school awards assembly at the end of the school year. What a wonderful teacher and person she was. I always remember her warm smile and personality.

With warm regards and sympathy.
