“ I am so sorry to hear about Amanda passing. I worked with her at Kmart. She was a very sweet and loving lady. We had fun in the break room laughing and talking and yes sometimes complaining about the way the work day was going. I am very blessed to have known this sweet lady. My love and wishes and prayers are her family at this very sad time. I love ya Amanda. Thank You for your friendship. You will be missed.

“ I am fortunate to be family of this sweet lady. We are second cousins. This sweet lady stole my heart. She gave me a hard time about the Steelers. I tosted it back about the bangles. She went to jambo with me and listen to country. I wanted to go to rock the range and listen To hard rock. I want to take to a bangle steeler game. But I don't get the. God had other places to take her. I will miss her more then I thought possible. Go Steelers and for you my sweet cousin. Go bangles
