“ My husband and I were good friends of Angie and Hank. We attended many Knights of Columbus activities with them. I always enjoyed receiving "Christmas Letters " from her, and hearing about her family who she cherished. She was very proud of her children and grandchildren. As a teacher, I had most of her sons in class. It was a pleasure being invited to her 80th birthday celebration. Angie was a wonderful kind and caring person, and a very devoted Catholic. May God bless and comfort all of you.

“ There will always be a special bond between our parallel families. From the special friendship we all shared, to the support of each other during the tough times, and to the caring love Hank, Angie, Paul, and Rosemary gave to each other in their later years, we will always be grateful. Angie was like a second mom to the Stempko boys. Her kindness and generosity will be never be forgotten, and her memory cherished. God bless the entire Doerfler family as we send you all our love and sympathy in memory of a life well lived.

“ *Mark, Matt, Alan & Paul, in-laws, sisters & grandchildren, sympathy & prayer for each of you on the passing of your dear mother, ANGIE. She loved you all dearly & talked about you & her home was surrounded with all kinds of memories of each of you that kept her going. Thank you for taking such good care of her. She is now with her dear HANK, who I also have wonderful memories of him as he was our school board president years ago when I was Principal here at St. Benedict's. May you live on in such meaningful memories as your parents both served their God, Church, School & Community with such tender & loving service.*
