“ So sorry about this news. I will miss her phone calls we would have and she loved to talk about Pa. We share middle names I am sure that’s where mine came from. Her and my Mom were just a like. She came to Az. a while ago when Annette’s son graduated from a school here, we had a great visit. She always liked my Christmas letters I would send her. She loved her grandkids and would talk about them when we would talk. The last 2 years were hard to talk on the phone because of her condition 😞 The sister’s are all back together again laughing and telling stories I am sure. I will miss her rest in peace Aunt Marie. Love, Mel ❤️

“ I want to start by saying how sorry Im to all of her Family. Wish I would have gotten to see her over the rest years. But unfortunately life’s demands seem to get in the way. She was a lot like my mom. Very good hearted person. I will hold her memory in in heart till we meet again. Sending love to all of you.

My deepest condolences to all the family. I grew up visiting my Aunt Marie and her family. Every time my father would get stationed somewhere in the U.S.A., we would stop and stay a night or two. We also lived in Michigan at the same time. They lived near Detroit, and we lived in Upper Michigan. In the later years they would visit my family in Pennsylvania. So many memories. My earliest memory was being at their house in Detroit around Christmas. As we traveled back and forth from Texas to Pennsylvania, we always stopped in Byesville to stay at her house. I loved her very much. And I will miss her and the Christmas cards and letters that she would send.
