“ Rusty and Family,

I did not know your mother, Annette, well, but knew she was a warm, friendly person. I knew your father, Jim, better, because he was in my husband's (Chuck) graduating class, Class of 1957. I believe you had told me she suffered from Alzheimer's, that meant all of you suffered with her. I am so sorry to learn of her passing and express my sympathies to you and the rest of the family.

We talked a lot about how u raised your children. I always listened and and came to the conclusion that you just raised them with love Your smile and words of wisdom will be greatly missed.
