“ Oh Miss Arlene, my dear friend and neighbor. My heart is broken 💔. I will never forget the day I met you when you were not at all impressed with the place. But you came back and told me I was the only reason you did. I thanked you then and will again for all the yummy treats you used to bring me when I was working from cheese burgers to cookies and ice cream. I will miss you and know you are happily reunited with Ray! Sleep sweet my dear friend. Until we meet again. Sending up prayers for you and your family. ❤️ 🕯️ 🙏
