“ Gayle,

Sorry for your loss. No words can explain how much I will miss Art. Its quiet at work these last couple of days trying to get used to him not being there.. I have no one to pick on any more: I feel I have been blessed to have gotten to know such a sweet and caring man. Take care of yourself and dont be a stranger.

“ Dear Gayle,
I am so sorry for your lost, and everyone who has ever meet Art. He was the kindest man ever and I remember our time at South High together. I will miss him deeply...his smile would make my day at work especially if I was having a bad day and I just loved the way he would pick on Carissa!! Please take care of yourself. Much sadness is felt at Cambridge Health with his passing.
Love from a friend
