Tribute Wall

“ I remember you since my childhood when I grew up and lived on Oakland, as you did, and went to grade school at Oakland with your daughter Dorathy. I still remember your house and what it looked like inside, and you calling in Dorathy for the night. I do remember you! I am 63 now and haven't seen you for over 50 years, but fond memories always live on. You are in my heart for my lifetime. I would ask that God bless you, but he already did, so I would say please do not stop.
