“ My husband and I are sorry to hear of the loss of your mother. I did not know her personally but I was moved to write you all after reading her obituary. It must have been very enlightening to speak with her about all that she has collected. As her antiques brought her joy let them bring you memories of her. As you wait to be reunited with her please allow the promises of God's word comfort you as well John 5:28,29. In the meantime our prayers are with you.##imported-begin##The Johnsons##imported-end##
