“ I remember so much! So many good times and support when times were bad. Keri made a comment on FB a while ago about looking forward to having old coffee and Aunt Barb told her to come over so she could make her some fresh<3 I also like to still laugh about the Atlantic City trip, ask Aunt Bett about that:)

“ My beautiful mom. You'll neve know how much I love & adore you. You have been my inspiration. My hero. My only hope is that one day when i have to be strong, I will be just half as strong as you were. I will think of you every second. I will love you every second. Thank you for being my best friend.

“ R.I.P my dear Aunt Barb Thank You for all the wonderful memories. I am thinking that the band night was one of the best, its one that I know neither of us ever forgot. I cant not believe that we did it! I'd give anything to go back to that night if only for a moment to be with you .It not only was a whole lot of fun but just being with you meant more than I could ever express. I love and miss you, give love and kisses to all that you have re joined in heavens beautiful blue sky's.
