*Barbara was a very special lady and I hold many very special memories that go all the way back to my grade school days with her and her sister, my best friend Luella. She tried, in vain, to teach me how to put on eye makeup so it didn't end up on my cheeks. We laughed ourselves silly. She was always so much fun and not only did she become a good friend in my adult life but she became good friends with my mother. To Tom, Bob, and to all the Kruk children I send my very sad sympathies. I'm certain that you must all be suffering a deeply sad loss. I know you have many wonderful memories that will keep her with you always. Please know that you are in my prayers and in my heart.*

*Special thanks to Heather for letting me know about Barb*
