“ I am so saddened to read this. I just saw that my mother's dear friend for 50 years passed. They were best friends from Kindergarten on! Barbara sang at my wedding. I remember how she used to come to our house on the weekends and play the piano. I was so amazed because she could play without sheet music! I think of you often and I know you and my mother are up there having a grand old time! Deepest sympathies from Lori Fillman Kaylor and family.

“ Bob,
I am a friend of Barb Rataiczak and she informed me yesterday of Barbara's passing. I am so sorry to learn this. She and I go back to TOPS in the 70's. I always enjoyed her spunk and sense of humor. She cut my hair for years and I sang with her in the Minstrel Show. I talked to her last spring at the Cambridge Singers Show. You will certainly miss her. I am so sorry for your loss. Debbie Addis

“ *Bob, we are so very sad that Barb could not get better. She is now with your wonderful Mother in Heaven singing her heart out. We have been friends for many years, and our hearts are extremely heavy. You were there for her through this difficult time, and we will continue to pray for you, your family and friends.*

I remember so well the love Barb had for the children in the church. Some of my fondest memories are of Barb telling the children's story and teaching Sunday school and Bible school. Our son Ronald adored Barb and at 3 years old would sit on her lap and sing you are my sunshine to her. We moved to Pittsburgh when my son was only 4, but to this day he as well as my 2 girls hold Barb in their hearts. We love you Barb. The sun has lost a bit of it's brightness now that your gone.
