“ When I met this lovely woman, I remember thinking that I have the tiniest grandmother in the world. She was so nice and welcomed me into her home. I remember meeting my sister Jennifer, and thinking how sweet and kind this little girl was. Grandpa Pennington seemed so handsome and you could see how much they loved and cared for one another. I only got to know her briefly, but she made an impact on my life, and I'll never forget her. My love and thoughts are with you guys.
