“ *My Dad "Tabby" would often take me down to the yard and all those guys would throw stories around. Basil would always ask how I was doing and give me a bottle of pop and went out of his way to make me feel comfortable.*

He was one of those guys from Cambridge that was never given anything and worked for everything he ever had. He was always proud of the accomplishments of his boys.

Condolences to the Family, he will certainly be missed and remembered. Tab LaFollette
