“ Dave & Beth,

Lifelong friends that seem to be able to pick up right where we left off, has been said to be the real test of friendship. The Chiesa family truly embodies this sentiment. From all the great times spent in Cambridge either at Bea & Don's home, out on the lake at Salt Fork or rummaging through the Arts & Crafts festival each year, the memories are spectacular. I remember the first time I BBQ'D for Bea in Wintersville,.. thank goodness I have conquered that art now. May she and Don together set the table for all of their family in friends in Heaven. God Bless!

“ Janet and I have many fond memories of Bea and Don. I had the honor of being Don's best man at their wedding. Janet and I visited with them in Washington D.C. While Don was a member of the Army Honor Guard. We also had many good times with family reunions at the farm and visits at Grandma and Grandpa Santero's.

Dave and Beth, we love you. Can you imagine the wonderful reunion Bea and Don had as she joined him heaven? The wonderful reunion Bea is having with her Mom and Dad and all loved ones who went on before. This is the hope of eternal life that we Christians have.

It has been our honor to know and love Bea. I am sorry we won't be able to attend the memorial service.

“ Dear Beth & Family,

I am so deeply sorry to hear of your precious mother, friend, and loved one passing away. It's very hard to lose a mother and loved one. I know because I lost my mother in "2006." She was my best friend...as your mother is to you. "May you find comfort in knowing that she's in the arms of Christ now. May Jesus comfort you, give you peace, and loving care. "Hold to God's Unchanging Hands" when going through the passing of your mother/wife/sister, and grandmother. Again, you have my deepest condolences Beth, and to the entire Chiesa Family. Jesus loves you and I do too.

“ I knew Bea when she worked as manager at the credit union and I worked in the Champion plant. She was always so friendly and sweet to everyone. Ironically I was thinking of her today as I was writing a card out to one of her neighbors (Wilma Atchison Gutheil) and wondering where Bea was at this time. I was in the company of Wilma and Patty Dinapoli, both neighbors of Bea, just last Thursday and didn't think to ask them. I am sorry for the loss of your Mother. I graduated with Virginia in 1956 - my sympathy goes out to her as well.

Sincerely,
Jane Pethtel Mathews
