“ *Both Tom and Bernie were like loving grandparents to my husband and I but especially to our 2 boys, Ryan and Logan! We lived next to them in Kimbolton for several years. They always watched over our place when we were working and never did a day go by that if we were outside that they would come out to visit. I have so many wonderful memories that I couldn't begin to share them all. More importantly, we were blessed to have known both her and Tommy and will forever cherish the memories that were created. She was a special one and will be forever missed and loved!*
