

Beth Ann Jackson

July 22, 1959 - October 25, 2023

Beth Ann Jackson (Endly), of Cambridge, Ohio born July 22nd 1959, went home to be with our Lord on October 25th, 2023 at the age of 64. She fought a hard battle with cancer for 2 1/2 years.

Beth attended Cambridge High School class of '77 and Vocational school. She served as a MP for the United States Army. Beth was a life-long member of First Christian Church of Cambridge and also attended services with First Baptist Church of Cambridge.

Her passion was her sewing and alterations. She owned her own business, and when her arthritis wouldn't allow her to continue, she found a new love and passion for property management. Beth was also a published author. She wrote a book of poetry for abuse survivors: Overcoming abuse through poetic verse.

Beth is survived by her 4 children: Melissa Bayly (Jeff), Rebecca Parry (Rick), Michelle Jackson (Logan Wolfe), Mike Jackson II. 16 grandchildren and 5 great-grandchildren. Her mother, Shirley Endly (Allen), brother Mark Endly. Natural siblings: Shirley, Paul, Linda, Rob & Jackie, and 2 aunts and several nieces, nephews, and cousins.

Beth is also survived by her long-time best friend, Darlene Pammett (Gary & their children/grandchildren) of Peterborough, Canada and her life-long best friend, Constance Goodwill of Cambridge, Ohio.

Beth loved doing crafts and paintings with her grandchildren and friends. She also made several paintings for her amazing doctors and staff at Cleveland

Clinic, which are hanging in their offices.

Anyone who knew Beth knew she loved her children and grandchildren more than life itself. She loved to laugh and make others laugh. She would do anything she could to help someone in need and even saved a man's life by administering CPR to a total stranger. She had the biggest heart and was a fighter to the very end. She will be greatly missed.

Predeceased: father, Russell W Endly grandparents, Charles and Eva Endly; Clayton and Ethel Allen and natural sibling Whille.

No services will be held at this time. Beth would be honored if trees were planted in her name at <https://www.alivingtribute.org/> . Beth's online tribute wall may be viewed and signed at www.bundy-lawfuneralhome.com.

“ I could sit here for days writing memories. My mom literally is the reason for who I am today. She raised me and my sister as a single mother. At one time I can remember her working 3 different jobs just to make sure the lights stayed on. She taught me how to ride a bike, play baseball, how to use tools, but more importantly to respect others. No matter what time of day or night if I called she would answer and help me with what ever problem I had. When I had my last stomach surgery she took a few days off work and drove down just to make sure I would have help. She not only did that, but she also fixed my dinner table *broken tiles*, and rearranged my kitchen like it should be set up. No matter how many mistakes I made she always forgave me. I would give anything just to have 1 more day with her here on earth.

“ *I have fond memories of Beth as children. We were cousins and I knew how difficult her life was and how she suffered throughout her life. I hate that she also suffered physically at the end of her life. May she finally rest in peace.*

“ *I have so many. Our accidental meeting at Lil Champ in Deltona Florida to her helping me clear out and lay felt and mulch in my house flower bed. It looked fantastic. She posted pictures on her wall. Talented in everything she did and touched.*

“ I really love your pic, it's so cute. I'm sorry I didn't know of the struggling battle you endured. We sure had fun times with Lori and Mark. I'm sure I got you into trouble enough, I was a little rowdy at times. lol Now it is out, I'm the one to blame, with all my orneriness not Beth, I thought it was so cool that we were born on the same day month, and year. Of course I had to tell my friends, but I'm sure they never believed me. My thoughts are with your family, and thoughts of you are always in my heart.
