“ To the Arbogast Family: Our love, thoughts and prayers are with all of you at this time. Although our families only shared a few years together we were blessed so very much by knowing all of you. Betty was such a sweet, caring person and we have fond memories of her. I was privileged to be an after school caretaker of Joe and Leah before Amanda was born. They were such good kids and although I never met Amanda I'm certain she is just as loving as the rest of the family.

*I know Betty will be missed by many. I'm sure she left a trail of love and giving and caring wherever she went.*

*It is our prayer now that the Lord will bless the entire family with an abundance of peace and acceptance that can only come from Him. Our peace comes in knowing we will see and be with Betty once again someday.*

*Sincerely,*

*Kathy and Gene Pierce and Family*
