“ Betty was truly a blessing to the family. She always had a smile on her face. Truly a gem and will be missed tremendously. Now she will have the ability to have a picnic with Richard and Shelva like they did when they were kids. Richard use to tell me family stories that was so funny. You will be forever missed

“ My Aunt Betty was always kind to me growing up I remember that whenever she came to our home in Jackson we would get a bag of Ginger Snap cookies. Strange what you remember as a child. My brothers really didn't care for them, which was great because that would leave more for me. Aunt Betty never knew but that is where I got my fondness for Ginger Snaps that I still eat today. I love you Aunt Betty and my cousins as well. My cousin Aunt Betty's daughter Christine would come down for the Apple Festival everyyear and we would go to ride the carnival rides. She is very lovely and kind takes after her mom.
