“ *Betty was so thoughtful and kind. When I moved in to my first house and became her neighbor she made me a hot, homemade pie welcoming me as her neighbor. I enjoyed seeing her everyday as her and Jack would leave for breakfast and come back home. She always had a smile and a wave. She will be missed. Sending my love and prayers to the family. You are so blessed to have had such a wonderful woman in your life. I believe heaven received an Angel!*
