“ *In my teen years Betty was like a second mom to many of Glenns friends as we spent after school hours at her home. We were always welcome and often had snacks no matter how tired Betty might be from her work day. She was always cheerful and pleasant to all. After high school I moved away to college and another city. Glenn was a loss to all who knew his cheerful spirit. Betty had a long life and now she can visit with those who have passed and missed her loving spirit. I'm sorry to those she left behind but they will see her again with time. A sorrowful moment for those remaining until they meet again.* Gary Patterson
