“ Dale and Nancy -  
We learned just recently of the passing of your sister and sister-in-law, Betty Miller. We would both like to express our belated condolences for your loss, and please pass them on to your entire family from both of us.  
I remember Betty as the big sister of the Lyons boys I went to school with, and in particular her joining us as a chaperone when our MHS Class of 1965 took our senior trip to Washington, DC. Although we weren't well acquainted, I do remember Betty as being a lovely person, and am certain she will be sorely missed. You and your families are in our thoughts and prayers in the days and weeks ahead.  
Thinking of you with sympathy,  
Lorelle and Bill Driggs

“ *I have many fond memories of my days as a student at Ohio State when Betty worked in the Speech Department. She and I attended plays using her staff tickets and she was my transportation back and forth to Guernsey County many, many times. Sincere sympathy to all of you. We will not be attending the service since we are being perhaps overly cautious during the pandemic.*
