“ Aunt Betty was a prolific letter writer, preserving the lost art of corresponding with pen and ink. We began exchanging letters after my mom passed nearly 13 years ago. She never forgot my birthday! I will miss seeing that familiar handwriting brighten the inside of my mailbox.

Thank you Kathy. Mom LOVED writing letters. And come to think about it, her penmanship became familiar over time, It was also unique and easy to read (I wish mine was the same!)- Gordon

“ To Gordon and Jim-- my sympathy at the loss of your mother. Only fond memories come back to me from the many years I knew Betty. In childhood, I -along with the other neighborhood kids- always felt welcome to your home on Oakland. After college and my move south, Betty often sent holiday cards and occasional notes about my parents and her beloved sons. The years passed and I returned home to care for my parents and I would see her only at the grocery or post office--but the same warm, caring chat and smiles were as if we had just talked the day before. We would share friendly gossip and a hug and be on our way until the next encounter. Betty remembered me at the loss of my parents with her usual kind words and offer of help if needed. So, I was often touched in my life by her kind ways. I will greatly miss your mother but my sorrow is tempered with the joy of having known her for so many years. Betty now has her time to be with Oscar again just as my parents reunited. If I am fortunate to get to Heaven, I imagine Betty will be on a welcoming committee with the same warm smiles and hugs I was lucky enough to have known here. My own health issues made it impossible to attend services and for that, I am very sorry. Sincere thoughts to you and your families. Gary R. Patterson

Thanks for the kind words and cherished memories Gary. From many people who have met or known her over the years, "she never knew a stranger"... I think her ability to start a conversation with virtually anyone, came from those traits and abilities held and expressed by my Grandfather Greene; a finer man you could not meet.

I regret hearing of your own health issues Gary, Please take good care and thanks again for posting your thoughts and memories...

Thank you for your kind words Gordon. I think of your mom fondly as I always did and I know this Christmas without her will be very different. My dad Charles [2011] and my mom Mary Lou [2013] have passed too and it is still like yesterday to me-- it hasn't gotten much easier...but time may heal the hurt and loss but not the memories. My best to your families. Gary 12-23-2014

“ *Betty and Oscar Share were more than neighbors of ours in Hidden Acres, We consider them both close loved family members. Our children grew up under their watchful eyes boarding the school bus and playing in the neighborhood. They were even taken into the Share's home to have their scraped knees bandaged up from their many bike accidents. We are saddened by Betty's passing but take comfort in knowing she is in heaven with her Angel, Oscar.*

Our family extends it's deepest symphathy to family and friends who had the pleasure of knowing and loving this wonderful couple as much as we have.

Dear Gordon and Jim - We are so sorry that we could not be there for calling hours or the funeral, but we were out of town for our Grandson's wedding in Texas. We just learned of your mother's passing when we got home yesterday. Your parents were certainly special people and were such an impact on our lives as we were getting situated in a new community over 40 years ago. We just talked recently about needing to visit with her when we got home. We are so sorry for your loss and appreciate all that you did for her. Joe and Barbara Pittman

Thank you Pittmans for the special words. Mom and Dad shared a special relationship with you both, which I think in today's world is relatively rare. Namely Joe was Dad's supervisor, but you guys became close in spite of this work relationship and I know the friendship was real, not contrived. Thanks for simply "being there" over the years. Best regards to you always....
