“ *My thoughts and prayers are with the family. I was blessed to get to know her at Altercare. She was always so sweet and kind when I spoke with her. Sometimes we would talk about our cats, which I would always say that her cat behaved better than mine. The thing that impressed the most was how stylish and classy she looked no matter when I seen her or how she felt. May God give your family peace and comfort through this time of great loss.*

“ I served in the East at Summerfield Chapter for the first time in 1973, the year Betty was Grand Representative. She and Clarence were loving and very special friends to me throughout the years. Sandy and Kay, you are in my thoughts and prayers as you travel these difficult days. Knowing that your parents are rejoined together in the loving arms of our Savior brings joy to my heart. May God watch over you and the rest of Betty's family.

“ To the family, I am sorry for your loss. I had the pleasure of knowing Betty while I was employed at Autumn Healthcare. She was so kind-hearted and reminded so much of my own grandmother. We loved talking about the latest book she was reading and sharing a fresh orange. She is one that I will always remember. I pray for your comfort.

“ Wonderful Lady, she and Clarence opened their home to FHA officers and nutty advisors for fun evening of planning. Usually greeted others with a smile. Thinking of all of You, Gail Bell
