“ *The first person I met at NCR-Cambridge was "B". She was also the last person I spoke with when I left Cambridge. In those twenty years between those two events she helped with the many needs I had - from making difficult overseas phone calls to connecting me with local people who could help a "newbie" in Cambridge and Guernsey County. She was the "face" of NCR for so many people - from people looking for work, new employees, those many vendors and those employees who forgot their 'passes'. Memories of "B" will always be with me and with all those who knew her.*

*Blessings and prayers to all of you from all of use who knew "B" -*
