“ Bonnie was our real estate agent 13 years ago. This woman was the most kind, insightful and caring agent a first time home buyer could have asked for. She guided me and my wife, with young children, with such high regard, and truly helped and blessed us every step of the way. I was just asking my wife about Bonnie and then I stumbled upon this 😞. She sent us Christmas cards for a few years after we bought the home. This world is truly going to miss and remember this woman, we definitely old use a few more like her in it.
