“ Mr. Lyne was a great teacher and I remember his friendliness. My other main memory is of being in his class when the announcement came over the loudspeaker that President Kennedy had been shot. My sympathies to his family.##imported-begin##Marjorie Schultze Metz##imported-end##

“ Bruce thanks for being a good friend to my mother and for becoming a part of our family. I will always remember the night when you and my mom came to Cambridge High School to watch me coach my Independence Seventy-Sixers. It was a proud moment for me and I will never forget you as a teacher. Your one of the finest.

Much Love

“ I well remember Mr. Lyne. He was my 5th grade teacher at Garfield Elementary. And later in life, I serviced his furnace at their home south of town. We still make good use of a table he had refinished and my wife just had to have. She loves it!###imported-begin###Ron Graban###imported-end###
