“ *Thinking of all of you during this difficult time. May the wonderful memories you have always be a comfort to you. Uncle Byron and Aunt Norma were truly a match made in heaven. What I remember most as a young girl was his love of family & his great sense of humor!! One story that sticks in my mind is the brand new carpet in the kitchen episode!! Uncle Byron told us as we sat at the dinner table "you kids better not be spilling anything on this brand new carpet". And we didn't, but guess who did? Uncle Byron spilled an entire glass of iced tea on the brand new carpet!! The look on his face was priceless!! Great memories...I am so blessed to call Aunt Norma and Uncle Byron "family"*

Love & Prayers,

Becky Steffen and Family..

“ I have worked with Byron at Walmart for many years. He became a friend and grandad for so many of us. He never said one negative or unkind word about anyone. He loved to play bicker back and forth about the size and success of his garden. I think a lot of fibbing went on in the break room over that. He always took such pride in his work and always cheerful and caring. I will miss him greatly but know he and I will meet again in heaven. Many prayers to all the family members. I just want you to know that when he wasn't with you at home he was surrounded by people that loved him at Walmart. Laura May
