“ So very sorry for your loss. Did not know until today, but the entire family has had a long ordeal, but that did not matter bc he was loved so very much by his wonderful family. If you need anything and there is anything I can possibly do for you all, don't hesitate to let me know. Marie, you are such a sweet lady and I know the pain you are going through right at this very moment. It will be 4 years since my Husband died in May and I am just now getting to the point that I can talk about it and not go to pieces. You are a strong woman and a survivor and you have such a great family to give you support. Mark, your father will never be gone as long as you are here bc you look like him. You all have my complete sympathy.
