“ When the heavens open, trumpets sound, the tears that we cry, will all be found, on a cloud so white, a light so pure, will shine so bright, the same light, that shines in you, our days are darker without your smile, this is not goodbye, see you in a blink of an eye, your words of wisdom, truth, love and prayer, you bestowed upon us to learn more. So one day when we meet again tears of joy is how this story begins! I love you forever and a day aunt Carol! Miss you!
