“ *My family has many good memories of Aunt Carol. As a young nephew she would spend time with my brother and me and always be part of our Cambridge trips. After my Dad died she was very helpful to my Mom. I'll always remember the summer reunions up on the hill and good old Aunt Carol was helping to organize all. Jim and Jerri and Family, we are sorry for your loss, but your Mom was a wonderful person and all our fond memories will last forever.*

“ *Most of my memories of Aunt Carol are from our visits and reunions in Cambridge. One time I used a pin to poke holes in her cigarettes. She, at least for a period of time, would not go to bed without Coke in the house. It seems that she was always busy and chronically late. She was the relative you could tell anything without fear of judgment. Even though she was somewhat reserved, it was obvious that she cared about people more than she would ever admit.*

*I know that Jim, Jerri and the grandchildren all had different experiences and relationships with Carol. I can only hope that all of you have fond memories that will help you during these difficult times. You will remain in our thoughts. Patty and Ron*
