“ I already left you an e-mail Gray...but thought I'd make sure you got something in case the e-mail was hers. Carrie and I had such a great time in school being teenagers, goofy...doing fun, far out things. She was such a fire ball and so ornery! We did some of the dumbest, craziest things and managed to get in tons of trouble, driving Jimmy & Maxine slightly crazy...and of course it got worse when Carrie started driving...yikes! So much fun remembering some of the things we did...whew!!!

You were always the patient one...I assume you still are, and I hope you are doing well through this. Take care hon ~ just wanted you to know that I am thinking about you, your family and Carrie.

Hugs and love ~

Thinking about you and praying for you. I always enjoyed her company and cooking...especially the chili on the cold rainy hunting days. I will miss her.

Graydon, I am a friend of Jim Neel. I met you once at Jim's place. I happened to be at the farm last monday when several Amish stopped by to tell about Carolyn's passing. I was impressed by how much she meant to them and how they shared your grief! May God bless and comfort you in yhis time of sorrow. Larry Nancini
