“ Dear Martha and family,
Our sympathy goes out to all of you in the loss of a special person who was a very kind and caring man.
It was so nice when you lived down here close and we could visit. Dick always enjoyed the little rides and talks he and Scotty had.
Thinking of you in this time of sorrow.
Our love and prayers. ##imported-begin##Dick & Freda Kennedy##imported-end##

“ My Grandfather wasnt only my grandpa, he was my friend. I remember when i was a little girl i would fix gpa's hair for him.! When they moved to FL and I went down to visted gma and GPA, i would always make gpa go for rides with me on the golf cart! He thought me how to drive one! What I'll remember the most about gpa is when grandma would call and say, "grandpa needs to go to wal-mart again, can you take him" i would reply sure, thinking, "I'll never get him out of that place b.c he knew everyone and loved to talk".. But it was always worth it in the end...I loved to hear the stories he would tell, he was a man full of information and loved to share it!~He always thought me something new.. Thats one thing im going to miss about him!! Also, I remember when I would take him places and he would shuffle his feet and i would yell "grandpa be carefull" he would then look at me with "the look" and then would start walking like it was nothing.! Grandpa, you were a well respected man, very strong, and loved by many people! You will always hold a place in my heart!##imported-begin##Kendal Gibson##imported-end##
