“ As someone who was fortunate enough to have known both Charles and Beverly, I would like to share my deepest sympathy with the entire Fitzgerald/McVicker/Thompson/Powell families. Although this is a very difficult time for all of you, I hope you know that the thoughts and prayers of many are with you. Try your best to remember the numerous good times you were able to share with your father, and grandfather. His cheerful smile and attitude will be missed by both family and friends.
