Dear Jean,

I'm heart broken to know that Charlie is gone. You two have meant more to me, these MANY year, than words could ever explain.

Years ago, you and I were having a conversation, and somewhere in that conversation I told you that I knew you and Charlie didn't make friends easily (something like that). Well, I am Honored to have been yours and Charlie's friend for many years, and am so happy and blessed to know that I was the kind of friend to you that allowed you to trust me to take care of the farm while you guys went to shows on the east coast, and even trusted me with a key to your house during those times (...little things mean alot.)..

I will always cherish the the good times (stories, work, talking, laughing, watching Doctor Who with you, Nova, Nature, Wild America, American Experience, etc. with Charlie) we all spent together--I learned, and gained so much through our friendship.

Thanks so much for all of the lunches, suppers, and the iced teas in the kitchen and on the front porch.

You have my phone number...please call if you need anything or would feel up to a visit. I hope Mike is doing well, and please say hello to him for me.

I miss you and Charlie so much!

Love,

Bill Gebhart
