“ My Cousin was an awesome man, funny, a jokester, hard worker. We were close growing up. Many sweet memories, he taught me to drive my uncle's John Deere tractor when I was in grade school, and how to milk a cow when I was 6. He also saved my life from a fox that chased us from the barn when I was in the 2ed grade. I remember his bright red jeans he wore in the 50's. The jokes we played on each other. Charlie will truly be missed not only by me but by all that knew him. My heart is broken for Brenda, his children and grands. May God bring Strength and comfort . Rest in God's arms Charlie , love and miss you. 🥹💔🙏🙏💔

Condolences to the Pressdee family. I usually saw Charlie at the VA day at the Guernsey County Fair. I could hear him before I saw him and always knew who it was. He went to school with some of my cousins. I always enjoyed our conversations.
