“ I had the pleasure of working with Dick at Cambridge Lumber and he was also a great customer at our farm market Forget Me Nots. He never walked away from a good conversation and always seem to remain cool and collected and never seemed to get too excited, which is a great lesson in life that I took to heart. only thing missing from that picture Scott is his pipe. My condolences on the loss of your dad and I'm sure you're glad that he's been reunited with your mom. Aloha Nui Loa
