“ Violet Jane, I feel sorry for your loss, I'm old enough to understand what your feelings could be. Hope you can only remember the good times. I'm sure you won't remember me , we only spoke to each other once for maybe 10-15 minutes, 68 years ago. I liked Charles right away even tho I never met or knew of him until today. Thinking you married well and had a happy life together. My Best wishes to you.
