“ Sorry for the family loss and I express my condolences. I will miss you my friend. We jamed together a few times and I was lucky we crossed paths through a mutual friend! The last time I was in Cambridge we crossed paths downtown on one of my night walks. RIP to a heck of a bass player!

“ I went to school with Charlie. Always smiling. Even road motorcycles together. When I worked in a doctor's office in Cambridge I would see him when he came over to repair equipment. Prayers to his family 🙏❤️🙏❤️

“ Deepest sympathy to family and friends. I had the pleasure of working with Charlie at the hospital. I don't think he ever knew a stranger, she was quick witted and good at his job.

“ My condolences to the Smith family. Charlie was my neighbor, he walked by my house he would stop we would chat if he didn't stop he always waved and said hello how are you. We used to chat about the old days when he played with Lock and Load and his days working at the hospital. Charlie was always telling a joke or had a story always made me smile. Charlie was the most wonderful person always had something to say about what was going on and I used to hear him sitting on his porch playing his guitar and he would sing me a song. Charlie was a great man he will be missed fly high Charlie. Keep playing your music in heaven.RIP MY FRIEND 🌹
