“ Anytime I was able to spend with my Papa was the best time ever. Yes, sometimes he was really aggravating when he would turn up his music really loud in the car when we were sleeping to wake us up, and think it was so funny when he scared us! Or when he would try to get his mean old duck to chase us when we got out of the car! But what I remember most is that he always wanted to have fun. I was able to eat and cook whatever I wanted. Sometimes I got sick and most of the time I made a huge mess from cooking--but he never got mad or yelled and always cleaned it up for me :). He also loved keeping busy and getting out to see and talk to people. We made so many random trips all over Guernsey County just because he wanted something to do. But I was always treated with an icee, happy meal, scratch off ticket, or loads of candy for the ride and would just sit by his side in the car while we made our way. I never really understood some of the things he would make us do when we were with him but now I do and his random acts of kindness will always be remembered and leave behind a bigger impact than anyone will ever understand.

He was my favorite person and partner in crime and I still keep him so close to my heart because we could keep each other company during complete silence and I always felt that I was right where I was meant to be.

I miss you dearly and love you more than I can explain and hope you know I think of you all the time. Especially when I come across boxing on tv--your favorite thing to watch (besides Judge Judy). I hope you're having a good time where you are and no longer have pain or sadness. I also hope you're getting to visit with everyone that you have missed for so long. Tell Mama I said hello and love and miss her too!

All my love your goober and oldest grandbaby--LeiAne

Kathy, that's nice of you to say! I'm his oldest grandchild and I can't tell you how many trips we made to your place for bingos! Even when he lived 30 miles away from downtown Cambridge, we still amde multiple trips daily. It was a favorite thing of ours to do :)
