“ Joyce and Bob were my cousins but really were close enough to be my sister and brother. I cannot thank them enough for the support they provided to me, my sister, and my brother when we were teenagers and young adults and beyond. They were truly mentors with incredible wisdom beyond their years which they unselfishly shared with us. I can truly say that Joyce to me was a saint. The world has lost a very special person. I loved her dearly. Shirley Dobbins and Jewelene Child
