“ From December 1990 to December 2007, Connie was my children's babysitter. But really she was a big part of their growing up years. Josh was 7 weeks old when Connie became his babysitter. We went to interview her on the day before Thanksgiving. I remember her apologizing for having a turkey thawing in the kitchen sink! When Alissa arrived in 1993, Connie became her babysitter too. When Connie & Bill bought a house in east Cambridge, we moved with her!! In 1997, Robin was born and began going to Connie's. Valerie had Courtney 9 months after Robin was born, and the 2 of them shared a wonderful childhood friendship together. It is hard to believe we were a part of each other's lives for 17 years. Even after our kids grew past the babysitter age, they continued to talk about Connie and asked to "drive by Connie's house" every time we were in her neighborhood... I guess we were the original "creepers"! I know Connie holds a very special place in each of my children's hearts. I am thankful for the safe, caring environment Connie provided for my children. I was very saddened to hear of Connie's passing. Josh, Alissa, Robin and I talked and reminisced about babysitter, Connie. She will never be forgotten because she lives on in the hearts of many of those who spent their childhood in her care.

“ I'm so saddened to learn my old friend and neighbor has left her family for heaven. She loved and cherished her children and the children she cared for with all her heart. I was always inspired by Connie, by her sweet nature and goodness, by her love for Bill and his love for her. Devoted to family is how I will always remember her.

*I am grateful we shared so many wonderful times watching our children grow on Stewart Ave.*

*Love,
