“ *When I was 9 years old I became friends with Connie. Unaware that she was related to me. One day I was at home complaining that we had a disagreement. My mom said did you just say Connie Doyle? Then my mom started asking questions? Does she have any family? Yes - a sister Beth. Divine intervention! The beginning of putting our family back together. After the passing of both parents all children went into foster care. This family has been through a lot.*

I hope to look to the future. Remember all the joyous moments. Christmas and other Holiday get togethers.
