“ *Mr Heady was the reason I went to Rio Grande College and majored in Health Physical Education. I wanted to be a coach and Phy. Ed teacher like him. I taught for 5 years on college level after master's degree from BG but I didn't enjoy it like he did so I became an account. But if it wasn't for him I probably would have never gone into field of Education. I will always admire him as a person and educator*
